REGARD

FINE WOOD CLEANER POLISH & CONDITIONER

Regard is the finest and gentlest nutrient cleaner/polish and fine wood conditioner available. The rich, finely-refined oils rejuvenate dried wood finishes and enrich the surface to reflect the finish, natural or applied. Non-abrasive and effective as a cleaner of soil and dirt accumulation, Regard can also be used to help restore minor surface imperfections and maintain the reflectance on high gloss finishes, including polyurethanes, varnish, shellac and even laminates. In addition, it leaves a protective surface to resist hand oil, high humidity or overdryness. Easy wipe on, rub in and polish off application.

- Cleans and rejuvenates natural or finished wood, laminates, and plastics including high gloss polyurethane finishes
- Feeds and protects wood and wood finishes
- Gentle, effective cleaning and leaves a rich, pleasant aroma
- Safe to plastics, rubber and all metals
- Completely biodegradable
- Supplied ready to use
- Extreme economy of use
